DEPUTY DIRECTOR FOR FIELD OPERATIONS
OFFICE OF SCIENCE

FROM: ROBERT G. JENKINS *Robert G. Jenkins*
DIRECTOR, OFFICE OF AVIATION MANAGEMENT

SUBJECT: Approval of the Office of Science (SC) Aviation Implementation Plan
(AIP)

In response to your memorandum, dated May 29, 2008, requesting review and approval of the SC AIP, the Office of Aviation Management (MA-30) has completed the review. The SC AIP (Aviation Management and Safety Program Description) submitted on May 29, 2008, addresses all the requirements of DOE Order 440.2B Change 1 (Aviation Management and Safety) applicable to the scope and size of aircraft operations conducted within the SC programs. My staff has coordinated minor changes to the SC AIP over the last month and those changes have been incorporated. Therefore, in accordance with DOE O 440.2B change 1, section 4, paragraph a. (1), I concur with the document as written and approve the SC AIP. I would like to compliment the Office of Science's aviation staff, Mr. Moro of the SC Chicago Office, for his cooperation and professional work that is reflected in the SC AIP.

If you have any questions, please contact me at (202) 586-5532, or Randy Stewart of my staff, at (202) 586-6171.
